If you're reading this, you're about to embark on one of the most transformative experiences of your AIESEC journey—TRANSCEND, the National Leadership Development Seminar of AIESEC Sri Lanka. You've made a great choice!

TRANSCEND is more than just an event; it's an opportunity for you to connect with AIESECers from across the country, engage with the Member Committee, and explore how you can continue to drive leadership development and create a greater impact through our exchanges.

Being part of AIESEC means you get to experience moments like these—moments that challenge you, inspire you, and push you to grow. A national conference is one of the most significant opportunities you can have as an AIESECer, and it's one that will leave a lasting impression on your journey, I'm sure.

With that, it's my pleasure to welcome you to TRANSCEND 2024—the most exciting touchpoint of the year. Get ready for an unforgettable experience.

Message from the Title Partner

We are thrilled to announce Ceylinco Life's partnership with AIESEC Sri Lanka, an organization renowned for fostering leadership, innovation, and personal growth among the youth. At Ceylinco Life, we believe that empowering young people is critical to building a brighter future, not only for individuals but also for our communities and the nation as a whole.

This partnership with AIESEC aligns perfectly with our vision of creating a positive impact on society by enabling the next generation to achieve their full potential. Through this collaboration, we aim to create valuable opportunities for young Sri Lankans to gain the knowledge, skills, and experiences that will help them pursue their goals, both personally and professionally. We understand the importance of setting a strong foundation early in life, and we are committed to supporting initiatives that help our youth develop a clear sense of purpose and direction.

In today's rapidly changing world, the challenges and opportunities facing young people are more complex than ever before. Our partnership with AIESEC will allow us to engage with Sri Lanka's youth in meaningful ways, helping them cultivate the mindset and tools they need to thrive. Whether through leadership programs, mentorship, or career development, we are excited to be part of a journey that inspires the youth to dream big and achieve great things.

At Ceylinco Life, we are committed to fostering a future where our youth can confidently pursue their aspirations, and we look forward to the impactful initiatives that will come from this dynamic collaboration.

Message from the **Platinum Partner**

I commend your dedication to leadership and creating meaningful impact. As an event that aligns with Ceyline Group's Purpose of "Inspiring leadership in everyone we touch, to build a sustainable and equitable future for all," we are honored to be a part of AIESEC's National Leadership Development Seminar 2024.

One of my favorite definitions of leadership comes from Brené Brown, who describes it as "the ability to see the potential in people and processes and the courage to develop that potential." I believe this summit will offer you a platform to fully embrace that definition, allowing you to unlock and develop the potential within yourself.

I encourage you to challenge yourself—to change, to grow, and to be inspired!

The heist!

Five years ago, we pulled off the impossible – we robbed the Royal Mint and rewrote the rules. But the game has changed, and now we're planning something even bigger.

The Professor needs a new team: visionaries, strategists, risk-takers. If you're here, it means you've been chosen. But don't get too comfortable. This won't be easy. You'll be pushed to your limits, tested like never before. Only the sharpest minds and steadiest hands will survive.

Think you can rewrite history? Step up. Remember, it's not just about money – it's about pulling off the impossible.
